

**The John Paul II Catholic University of Lublin,
Institute of Environmental Engineering (Poland)**

Samara State University of Architecture and Civil Engineering (Russia)

Lviv Polytechnic National University (Ukraine)

and

University Foundation of Catholic University of Lublin (Poland)
The Students Scientific Association of Sustainable Development "ProVita" (Poland)

Invite to

FIRST INTERNATIONAL CONFERENCE OF YOUNG SCIENTISTS
“Water resources - protection, management, environmental technologies.”

**STALOWA WOLA, POLAND
on 8 - 9 November 2013**

Conference Participants

We invite all young researchers, doctoral students, employees of think tanks and monitoring engineers and designers, environmental organizations, businessmen, students and all persons interested in the state of water quality, water resources, their conservation, and also all who work on development and testing of modern technologies close to nature in the field of water and wastewater management, water management and flood protection.

The goals and objectives of the conference

The main goal of the conference is to share experiences and knowledge between experts from many countries and also presentation of innovative applications of technology and research. We invite papers dealing with the following issues:

- Today aspects of water quality;
- Action in favor protect water resources;
- Integrated water resources management;
- Legal and economic instruments of water protection;
- Ability to implement innovative technologies for water supply and sewage disposal, land improvement, flood protection;
- Procedure for environmental impact assessment - water hydraulic engineering, sewerage, land improvement - exchange of experience;
- Challenges and best practices for the conservation and management of water, including the involvement of the local community.

Honorary Patronage:

Rev. Prof. Antoni Dębiński, The Rector of the John Paul II Catholic University of Lublin

Scientific Board:

prof. Andrzej Kuczumow, Dean of the Off-Campus Faculty of Social Sciences, Stalowa Wola;

prof. Mikhail Balzannikov, The Rector of the University of Architecture and Construction in Samara;

prof. Robert Gwiazda, Institute of Nature Conservation, Polish Academy of Sciences;

prof. CUL Barbara Marczevska, Director of the Institute of Environmental Engineering, John Paul II Catholic University of Lublin;

prof. CUL Grazyna Mazurkiewicz-Boron, Head of the Department of Water Protection, Institute of Environmental Engineering, John Paul II Catholic University of Lublin;

prof. CUL Vladymyr Cherniuk, Department of Water Protection Institute of Environmental Engineering, John Paul II Catholic University of Lublin; Lviv Polytechnic National University

prof. CUL Thomas Białopiotrowicz, Head of the Department of Physical Chemistry and Physico-Chemical Basis of Environmental Engineering, John Paul II Catholic University of Lublin;

prof. CUL Zdzisław Wronski, Head of the Department of Applied Physics, Institute of Environmental Engineering, John Paul II Catholic University of Lublin;

prof. CUL Alicja Księżopolska, Department of Analytical Chemistry of the Environment Institute of Environmental Engineering, John Paul II Catholic University of Lublin;

Dr. Eng. Peter Surmacz, Head of Department of Sanitary Engineering Institute of Environmental Engineering, John Paul II Catholic University of Lublin;

Dr. Eng. Francis Switala, Sanitary Engineering Laboratory of the Institute of Environmental Engineering, John Paul II Catholic University of Lublin;

The organizing committee:

PhD Klaudia Giordano
PhD Sylwia Terpiłowska;
EngD Waldemar Zadworny
M.A.Katarzyna Olko
M.Sc. Anna Gronba;
M.Eng. Katarzyna Szambelan
M.Sc. Rafał Kuzioła;
University student Jolanta Sokal

The conference fee is PLN 350 (about 90 EUR)/ person - includes conference materials, coffee breaks and lunches. Account and the maturity date will be announced in the Second Circular. Travel and accommodation costs should be independently covered by the participants.

Proposed accommodation:

Hotel Hutnik <http://hutnik.pl> tel. +48 15 842 02 09

Hotel Stal <http://www.hotelstal.pl> tel. +48 15 842 19 91

Inn Sezam <http://www.zajazdsezam.pl> tel. +48 15 642 21 06

Rooms in the student dormitory of the University Foundation of Catholic University of Lublin – reservation by the registration form

In addition, there is a possibility to take part in the tour bus to Sandomierz on 11/09/2013. The cost PLN 60 (about 15 EUR), includes - bus travel, travel insurance, tour guide. The route includes: Old Town, Opatowska Gate, Cathedral, City Hall and the underground route. Sandomierz is one of oldest and historically most important cities in Poland.

Conference language: Polish and English;

Framework program of the conference:

November 8, 2013 (Friday)

8.15-9.00 - Registration and coffee;

9.00-opening of the conference, welcoming visitors;

9.10-11.00 - debate / discussion;

11.00-11.15 - coffee break;

11.15-13.30 - debate / discussion;

13.30-14.30 – Lunch;

14.45 - 17.00 - session / part of the poster;

18.00 - for those who want to go together to the restaurant "Biesiada"

November 9, 2013 (Saturday)

8.00-12.00 for those who want to go on a tour to Sandomierz

12.00 - Lunch

13.00 - 16.00 - debate / discussion (coffee bar)

16:00 - 16.20 - summary of the conference, guests farewell.

Venue:

Institute of Environmental Engineering
Off-Campus Faculty of Social Sciences in Stalowa Wola
Ofiar Katynia 8b, 37- 450 Stalowa Wola
hall 28, ground floor

Samara State University of Architecture and Civil Engineering
Russia, Samara, 443001, Molodogvadeyskaya 194
